Commercial Lease Agreement

This Commercial Lease Agreement ("Lease") is made and effective 01/01/2027 by and between Wang – Zhang, LLC. ("Landlord") and Eden Partner Group, LLC ("Tenant").

Landlord is the owner of land and improvements commonly known as 3320 N. Milwaukee St., Boise Idaho 83704, Suite #170, consisting of approximately 1,403 rentable square feet, as shown on the attached Exhibit “A” (“Leased Premises”).

Landlord desires to lease the Leased Premises to Tenant, and Tenant desires to lease the Leased Premises from Landlord for the terms, covenants, conditions and provisions set forth herein.

Now, Therefore, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Term. Landlord hereby leases the premises above for a term of Thirty-Eight (38) months with two (2) months abated rent, Possession Date to be January 1, 2027, Rent Commencement date to be March 1, 2027 and ending thirty-eight (38) months from the possession date. Tenant shall be responsible for payment of the lease for this full term. There are no early termination provisions.

2. Possession. Tenant shall have possession of the Lease Premises upon lease execution, delivery of first month’s rent, security deposit and certificate of insurance.

3. Rent. Tenant shall pay to Landlord a monthly lease payment of $3,039.83 (Year 1), $$3,131.03 (Year 2), and $3,224.96 (Year 3) per month. This amount shall be due and payable on the 1st of each month. In the event that the 1st of the month falls on a weekend or a state or national holiday, the payment shall be due on the following business day. All rental payments shall made to the property owner at: Ying Wang, at: 2425 Milwaukee, Boise, ID, 83704-5736. Tenant shall be charged $35.00 for each check that is returned. If any or all the rent is not received by the 5th day of the month, a charge of $10 per day will be charged as late fees until full rental payment is received. Rent shall have 3% annual increases beginning year 2. Tenant is granted One (1) Three (3) year option to extend the Lease upon the same terms & conditions as the initial term. Rent during the option period shall be at a 3% increase over the final year of the initial term. Tenant shall provide Landlord with not less than four (4) months written notice to extend prior to the expiration of the term. Tenant shall pay for their own internet service.

4. Security Deposit: Upon mutual lease execution, Tenant shall pay to Landlord a deposit in the amount of $3,039.83. Upon termination of this lease, these funds shall be used to make any necessary repairs to return the premises to the condition it was in at the time of tenant’s

original occupancy, reasonable wear & tear excluded. Any remaining deposit funds shall be returned to the Tenant. Deposit funds shall not be used by tenant for last month's rent.

5. Parking.

Green area: Customer parking only. No tenant or employee parking.

Yellow area: Tenant and employee parking.

Red area: No parking. These parking spots belong to the owners of the adjacent building.

6. Use. Use of Premises: ~~Staffing firm for construction companies.~~General office use, including executive search, recruiting, staffing and related professional services. There shall be no residential use of the property. Tenant shall not use the Premises for storing, manufacturing or selling explosives, flammables or other inherently dangerous substances. Tenant shall maintain reasonable noise levels and shall not engage in any activity which disrupts the other occupants of the building. The tenant shall not make any alterations, additions or improvements to the premises without the prior written consent of the landlord.

Tenant note: *Our business is executive search and recruiting first, with a staffing line alongside it. We'd like the use clause to cover all of it, so ordinary office work is never outside the lease.*

7. Sublease and Assignment. Tenant shall not sublease all or any part of the Leased Premises, or assign this Lease in whole or in part without Landlord's written consent, which consent shall not be unreasonably withheld or delayed.

8. Included Services. The monthly lease payment includes power, gas, sewer, water and common area maintenance. Tenants are responsible for snow removal.

9. Entry. Landlord shall have the right to enter upon the Leased Premises with not less than 24 hours' notice to Tenant, except in the case of an emergency, to inspect the same, provided Landlord shall not thereby unreasonably interfere with Tenant's business on the Leased Premises.

10. **Insurance.** ~~The Tenant shall purchase at his own expense public liability insurance with personal injury limits of at least $1.000.000.00 for injury to one person and $2.000.000.00 for any one accident and a limit of at least $2.000.000.00 for damage to the property and shall provide satisfactory evidence thereof to the landlord and shall continue same in force and effect throughout the lease term hereof.~~ Tenant shall, at its own expense, maintain commercial general liability insurance with limits of not less than $1,000,000 per occurrence and $2,000,000 in the aggregate, naming Landlord as an additional insured, and shall deliver a certificate of insurance to Landlord before taking possession and on each renewal. Landlord shall maintain property insurance on the building at full replacement cost. Each party waives claims against the other for loss to its property to the extent the loss is covered by its property insurance, and each party will have its policies endorsed to permit this waiver.

Tenant note: *The original wording mixes auto-policy categories ("one person", "any one accident") with a property-damage limit, and the figures use periods for commas. This replaces it with the standard commercial form at the same $1M / $2M levels, adds you as additional insured, and adds the usual mutual waiver so the two insurers don't pursue each other.*

11.The Tenant shall not permit or commit waste to the premises.

12. The Tenant shall comply with all rules, regulations, ordinances code and laws of all governmental authorities having jurisdiction over the premises.

13. Front Door Policy. Every Tenant is supplied with a key to the front door, and should lock the door behind Tenant before leaving the building. ~~If Tenant fails to lock the front door and a break in should occur, said Tenant will be held responsible for any stolen items and/or any damage incurred to the property.~~If Tenant is the last occupant to leave the building and fails to lock the front door, and a break-in results from that failure, Tenant will be responsible for the resulting damage to the property and loss of property, to the extent caused by that failure.

Tenant note: *We're glad to own it if we leave the door unlocked. As written, though, we could be on the hook for any break-in after another tenant or a visitor left it open. This ties responsibility to the tenant who actually left last.*

14. At the end of the term of this lease, the Tenant shall surrender and deliver up the premises in the same condition (subject to any additions, alterations or improvements, if any) as presently exists, reasonable wear and tear excluded.

15. The Tenant acknowledges that the Landlord is not liable for any injuries or property damage sustained by the Tenant or their guests in the parking lot, ~~regardless of the cause, including weather conditions or natural disasters.~~including from weather conditions or natural disasters, except to the extent caused by the negligence or willful misconduct of Landlord or its agents, employees or contractors. The Tenant is responsible for maintaining their own liability insurance and assumes all responsibility for any claims or damages arising from its own acts or omissions.

Tenant note: *We accept weather and acts of nature. We only ask that the release not cover the landlord's own negligence, which is the standard carve-out.*

16. Maintenance and Repairs. Landlord shall maintain and repair, at its own cost, the roof, foundation and structure of the building; the heating, ventilation and air-conditioning, plumbing, electrical and other building systems serving the Leased Premises; and the common areas and parking lot. Landlord shall make these repairs promptly after notice from Tenant. Tenant shall keep the interior of the Leased Premises in good, clean condition and shall repair any damage caused by Tenant or its employees or guests.

Tenant note: *The lease doesn't say who repairs the roof, HVAC or other building systems. This puts the building and its systems with you, which matches the rent including utilities and common-area maintenance, and keeps the inside of the suite and anything we damage with us.*

17. Damage, Destruction and Condemnation. If the Leased Premises or the building is damaged by fire or other casualty, or taken by condemnation, so that all or part of the Leased Premises cannot reasonably be used, rent shall abate in proportion to the unusable area until the Leased Premises are restored. Landlord shall restore the Leased Premises with reasonable diligence. If the Leased Premises are not restored within one hundred twenty (120) days after the casualty, either party may terminate this Lease by written notice to the other, and any prepaid rent and the security deposit shall be returned to Tenant.

Tenant note: *As written, rent would keep running if a fire or flood shut the suite down. This pauses rent while the space can't be used and lets either side walk away if it isn't restored in about four months.*

18. Default; Notice and Cure; Notices. Tenant shall not be in default under this Lease unless (a) rent is not paid within ten (10) days after Landlord gives written notice that it is past due, or (b) Tenant fails to cure any other breach within thirty (30) days after Landlord gives written notice of it (or, if the breach cannot reasonably be cured within thirty days, Tenant fails to begin the cure within that period and diligently complete it). Landlord shall not be in default unless it fails to perform within thirty (30) days after Tenant gives written notice. Late charges under Section 3 continue to apply. All notices under this Lease shall be in writing and delivered by hand, by nationally recognized overnight courier, or by email with a copy sent by one of the other methods, to the notice addresses below the signatures.

Tenant note: *The lease has no notice-and-cure step before a default and no notice addresses. This gives each side written notice and a fair window to fix a problem before it becomes a default. Your late fee is untouched.*

19. Governing Law. This Lease is governed by the laws of the State of Idaho. Any action arising out of this Lease shall be brought in the state or federal courts located in Ada County, Idaho.

Tenant note: *The lease doesn't say which law applies. We're both here, so Idaho and Ada County.*
